

EIGHTH STREET WINERIES SONOMA

We are tricky to find:

- Put away your GPS and get out a map.
- From the Sonoma Plaza, drive south on Broadway until you reach Napa Road. Turn left.
- The first light is Eighth Street East. Turn right and drive about a mile, past Peru Road (on the right) until you see industrial warehouses.
- Look for black-and-white Eighth Street Wineries sandwich boards on both sides of the street.
- Visitors to MacRostie or Enkidu, turn right at 21481 Eighth Street East and follow the signs to suite #25.
- Visitors to the other wineries, get into the middle turn lane and prepare to turn left at 21692 Eighth Street East. Drive through corrugated buildings to the back-lefthand side of the warehouses, where you will see colored flags flying.

Parking is available in lots on both sides of the street. Please do not park on the road.

See you soon!
